“ *Our family has such fond memories of visiting with Mollie and Ed. She was our neighbor across the street and she watched out for all the kids in the neighborhood. Love and miss you Ms. Mollie. Prayers for all the family.*

“ *I know that Mollie is at peace now. The twenty years we worked together at Ayres Corp, we really had some laughs and enjoyed each other's company so much. She (as well as I) loved Vern Gosdin's music. "That just about does it, don't it....) Right on, girl,*

*We love you

I really love what you have written about my grandma. I remember her eyes lighting up when she received a call from Sterling.

“ *I am so blessed to have known Molly for over 50 years. We were among the charter members of Faith Baptist Church and had many happy times together. May our awesome GOD bless the family and comfort as only HE can do.*
