“ I am also one that had the pleasure of working with Molly at Boys & Girls Clubs of Albany.

I only knew Molly a short time but will always remember her dedication, support and friendship.

“The comfort of having a friend may be taken away, but not that of having had one.”

Rest in Peace.

“ So sorry for this huge loss to your family and to the community! She is one of the only people I ever knew who loved like Jesus did. She was the real Wonder Woman and quite the role model for how to love! I am so glad to have known this beautiful, brave, strong, fierce lady and her equally beautiful, brave, strong, fierce daughters!

“ I had the pleasure of working with Molly at Boys & Girls Clubs of Albany. As I got to know her we shared our "war" stories of motherhood, and our mutual love of coffee. She had an infectious laugh that would brighten my day and a very tender heart for those she cared about the most. It was a true honor to have known such a strong woman and I am thankful she can now rest in the loving arms of Jesus.

“ We all loved Molly. Dedicated, true and genuine. More than an Adminstrative Assistant Molly could juggle so many projects at one time without any dropping. Her friendly smile and humorist chuckle helped her get through stressful deadlines with unwavering allegiance. Molly helped all Boy’s and Girl’s Club staff and board members. Never one to take credit yet when you looked to see who was getting it done, Molly was always there quietly serving. We pray God’s blessings for the Arnold family. Well done my friend. Rest In Peace and receive your reward from our Lord and Savior, Jesus Christ.

“ I am honored to have had the pleasure of knowing Molly as a part of the Boys and Girls Clubs of Albany family. That is what Molly felt like - family. She was always positive, helpful and encouraging. She understood the duty of service and sacrifice as she worked faithfully for the organization. Although she was seasoned in life, she always had an open spirit to learn and grow. She was kind to all she met and I'm sure she never met a stranger. She will forever be near and dear to our hearts and serve as a reminder of what community is all about. God bless her family, her memory and her legacy.

“ Molly was such a good person. She didn't just work at the Boys & Girls Clubs of Albany. She inspired us with her sunny disposition and positive attitude. She had this sweet laugh that invited you to share in her joy. Even during her illness, she continued to show up and work through her pain and discomfort. She was patient and pleasant when she had every right to scream and complain. I and so many will miss her, but the dignity she displayed and the respect she showed for each day she had breath will always stay with me. Good people live on in the memories of those who loved them. Molly has left us so many memories. Rest well, Molly. You have taken flight with the angels and earned eternal peace.

“ Molly was a much bigger part of Boys and Girls Club brand than she ever seemed to know; always smiling, dedicated, hard-working, sincere, loving, and 1000% dependable; all of the virtues that've surely earned her the fast-pass through St. Peter's gate. I, and many, many others, will miss her.

“ To Molly's family:
I knew Molly through the board of the Boys and Girls Clubs, where she was the glue that kept so many balls in the air. She was dedicated, smart, willing to do whatever needed to be done to make the kids of the club have a better life.
I am grieving, with you, over her loss. She had the best laugh and would just light up our meetings. She worked to hard to beat this awful disease and it makes me so sad that Molly had to face final defeat....
I will always think of Molly's association with the Boys and Girls Club, and will treasure the gifts that she brought to so many with her sunny disposition and commitment.
My sincere sympathy to you all.

*I feel thankful for the times I got to spend with Molly. She was such a great person! The last time I saw her was when I was in Georgia visiting my family. We were the Grandma's and Grant and Jennifer took us all out to eat. We sat by each other and had some good laughs. I never saw Molly without a smile on her face! She was so pleasant to spend time with! I feel blessed that I had the privilege of knowing her. She was such a wonderful person and example to those of us lucky enough to know her and get to spend time with her!
Condolences to all her family!+*
