“ *Becky, I was so sorry to hear of your loss. Monty was so dear. I learned so much from Monty, with his sweet caring spirit. I met him at Happy House, during the summers at Tift Park. “ *Becky, I am so sorry to hear about Monty. I worked with him at Happy House and also every Summer when he went to camp at the Tift Park Facility. Monty, Alice and Alan were my darlings. I took them to the fair and played Santa Claus for them at the Happy House Christmas Party. I went bowling and fishing with them. I spent so much time with them. I am Terri Pierce's sister. I just loved your MOM as well. I will pray for your loss. Take care--Kathryn Pierce-McAllister*

“ *Becky and Family,*

Where do I began to tell you what Monty meant to me.(us). From that little boy that walk into my classroom at the age of 9 through the years of seeing him and knowing him. He was such a joy to have in my room. He was quick with his answers right or wrong and was always playing jokes on the teacher.(such as the time I had him read a line in a story over and over because he kept missing the same word.

At last tired of doing that he looked at me and said I'm going to read it backward. So he started at the end of the line and read it backward. Or saying he would match me for a penny that was change from a little girl's milk money. Monty will always have a special place in my heart and in my life. I was blessed to have had Monty part of my life.

We will be out of town Monday but our thoughts will be with you.

“ *As a former Instructor of Monty's I would like the family to know that he has made an impression in my life. A thoughtful, mannerly gentleman. His spirit was unselfish, kind and loving. A friend lost but will not be forgotten.*
