“ *I just heard the very sad news about Mr. Murphy. He hired me to head the marketing dept. at First State back in 1982. He was always kind to me and very thoughtful regarding my family. I count Morgan Murphy as a friend. I am a better person for having known him, but at this moment , I am truly very sad. It seems just like maybe two weeks ago that we talked. And of course I always enjoyed his e-mails. My prayers are with the family.

“ Dear Jackie and family,

We are so sorry to hear about Morgan. Morgan was a special person and we will all miss him. We just lost Linda Fain's daddy, so we know the emotions that you are feeling. Morgan and Dr. Fain were both the kind of people that make big impact on other people. They knew how to connect with people in all walks of life. Please know that we have you in our thoughts and prayers. We also will make a memorial gift in honor of Morgan at First United Methodist. I enjoyed working with Morgan as a director at First State and as an usher at First Methodist. He certainly made a big impact on me and we will all miss him.
