“ *Maxie and Family: We were so saddened to hear about the passing of Morris. He sure fought a good fight. We are sorry we didn't get to attend the graveside service at Springhill. I (Joyce) have a fractured vertebra that is in the healing process and would not have done well walking in the cemetery. We saw Morris' procession as it passed our house and our hearts were with you. You are in our many thoughts and prayers for comfort during this time. Love to you all.*
