“ *Theresa--We are so very sorry that we cannot be there with you to share this time with all of you. Just a few weeks ago we received a sympathy card in the mail--Mozie had taken the time to let us know how she was touched by David's dad, George. Again, we consider it a privilege to have known her and Mr. Charles also. We love you and praying for you and your family.*

I was very to sorry to learn of Aunt Mozelle's death. As I'm sure you know, our moms were friends even before they married brothers/ The loss after such a long relationship is keenly felt .

“ Dear Teresa & Family,
I am so sorry to hear of Ms. Mozie's passing. She was such a caring, loving and giving person whose candle burned out way before her memory ever will. Words cannot comfort your grieving hearts. Please know I share your pain and grief. There are so many memories I have of Ms. Mozie's and Mr. Charles in which I will always cherish. Of course Ms. Mozie will always be known for her Chicken Spaghetti. I will continue to pray that God will wrap His arms around you and give you the peace and comfort you need at the time and the days ahead. With much Love always, Cathy W. Ivey
