“ Ms. Ferris took great care of me when I had my wreck in 1981. I was comatose for some seven days. She was there when I came out of it during the middle of one night . She also was the mother of my best school friend Daniel Webster Ferris. This family opened their home and hearts to me , many times . Ms Ferris will be sadly missed , she wa not just a great nurse , she was a life-long friend. My thoughts and prayers are with the family. May the comfort of The Lord bless you all during this difficult time Warmest Regards ,Joel Hugh Downs <><
