“ I have so many wonderful memories of the times we have spent together over the past 66 years. We could always act like a couple of teenagers by talking all night long about any and everything. Thank you for sharing your "recipes" with me. Your instructions of, "You'll know when it's right" will take me a little more time to master and I'm sure mine will never be as good as yours. Hug Mother, Daddy, Mama, and Pap and all the others at that glorious reunion for me. We will miss you so much and I will always, love you more.
