“ *Dear Elmore Family,
So sorry to hear about your loss. Nothing can fully prepare us for the loss of a loved one. But we can find comfort and hope that they are no longer suffering as ecclesiastes 9:5 reassures us that they feel nothing at all, and that One day we won't have to deal with death because there will be no more pain and death like Isaiah 25:8,9 tells us. hope this has brought some comfort to you. And again my condolences.*

“ *Ms. & Ms. Elmore had to put up with Ruthie's friends going in and out of their house for years. I thank you both for putting up with Gina and Janet. We will never forget the sleepover's, playing records, and going back and forth all our teenage years. The Elmore family is a big part of our childhood and we love you all for sharing it with us.*
