“ Norbert, it was with great sorrow that I read of your wife's passing. Although, I never had the opportunity to know her personally, I know through those who did, that she was a wonderful wife and mother. Our prayers are with you in this time of need.

“ Just want you to know you and your family are in our prayers. May God grant you peace and comfort to help you through the coming days. I know Aunt Nancy is having a great reunion now. Reunions always seemed to mean a lot to her. I am glad I saw her and Aunt Annie Bell at the last one I attended. We can look forward to the great reunion in heaven one day. My love, Joyce
