“ So sad to hear of Nancy's passing. She and my sister Dottie (also sadly gone from us) were close friends growing up, and my family always enjoyed her presence. When my daddy's funeral was held on my daughter's 16th birthday, it was Nancy who remembered the importance of that day and brought a huge cookie cake by so people could quietly mark its importance for our Melissa. Nancy is also the one who was able to convince my mother to allow a dog in the house. Ironically, mother AND my father, who loved his hunting dogs, loved Coco the poodle for many years. Nancy spent many fun days with our family; when she was around, there was always laughter. Way back when my husband and I were first married and living in Illinois, Nancy came up and spent some time with us. She was in a painting phase at the time, not sure if she kept that up :-). Living so far away, I have not seen Nancy for quite some time, but whenever I think of her, it is always with a smile on my face and happiness in my heart. Condolences to all of her family. May God hold you close in your grief; may memory ease your sorrow.  
Sincerely, Ardella Sandison Montgomery

“ My heart is breaking! Even though I haven't seen Nancy in years, I always considered her a dear friend. Growing up in the same neighborhood we were childhood friends and I have so many wonderful memories of those years. I always thought she would be a vet because of her love for all animals. We had the best neighborhood and wonderful friends to play with. I will surely miss my dear friend! I'm praying for the family!
