“ *When I first came to WALB, Newana was always ready to help. We had many good conversations.*

*We shared an interest in the United Methodist church and she invited me to her home to attend a UMW circle meeting one time. We always liked to compare notes on what was going on with her circle and in mine. My husband, Robert, met her several times and joins in sending our sympathies. Newana was a kind, gentle person who will be remembered with affection. May God grant the family peace and comfort at this time and in the days ahead. Linda and Robert Wells*
