“ I have only just heard of your passing, we had lost touch in recent years and I am saddened that I did not have the opportunity to catch up and here your news. I am so thrilled to see that you found love and happiness with Ann. My thoughts are with you and your family. I know that your spirit and soul will be travelling on. Thank you so much for being in my life - and for all the fun and laughter you gave me when I visited you in Naples in the 90's. Take Care my friend - you were inspirational.
