“ *Nina and “Mr. John” were two of the nicest people. They were so sweet together. My dad “Bubba” trend mentioned him when speaking of the fine people he had worked with. T seemed I only saw them at funerals over recent years. My condolences to all who knew and shared time with them. Their loss is to the community at large as well.*

“ *Ms.Nina was a special lady in my family's life. We went to church with her and Mr. John back in the 1960's, and she was instrumental in leading my grandmother to the Lord. Today, they are praising our Savior together. Prayers Mike and Steve.*
