“ *I had the privilege of getting to know Nona when I worked for Title 1 in the Dougherty County School District in my youth. She was a loving and caring soul who always had a smile and a prayer when you needed one. I remember her stories of growing up and her challenges in life which for some would make you bitter, but not Nona. Nona had forgiveness, faith, compassion and a strong love for her family. It is with a grateful heart that she offered my family into her circle and I send to Jan and family the warmest prayers of remembrance for such a special lady.*

“ *Aunt Nona and Uncle John were always loving and thoughtful towards my family. They generously remembered my children on their special days and even traveled to visit us in Macon for soccer games and dance recitals. We so appreciate the love they shared with our family. Aunt Nona was funny and smart and a good story teller. She entertained us with stories from my husband and his mother's childhood that we all enjoyed. Aunt Nona had a very good memory and also a very large family - she was the person to ask when I had questions about who was who. Nona was a beautiful person who was always well dressed and a wonderful homemaker and cook who worked hard taking care of her family, home and yard.*
