

## Mrs. Norah Wigger Hiatt

January 20, 1926 - October 16, 2018

Mrs. Norah Wigger Hiatt died October 16, 2018. She was 92 years old. A graveside service will be held Monday October 22, 2018 11:00AM at Floral Memory Gardens. Her great-grandson Pastor Klint Ware will be officiating. She was born on January 20, 1926, in London, England, the daughter of Bertie John Charles Wigger and the former Margaret Rose Monk. Despite having lived most of her life in the United States, she was always a proud Brit. She was a proud survivor of the London Blitz during World War II, during which she lived in a bomb shelter, and she was also a member of the Women's Land Army. She was a loving, kind, generous, and determined person who loved her family more than anything and loved keeping in touch with her large family on both sides of the pond. She was preceded in death by her husband Jim Hiatt, her daughter Jessie Schwing, and her brothers Bert Wigger and Cyril Wigger. She is survived by her children; Margaret Young, Emily Rudd, and Emory Eck. She is also survived by eight grandchildren, 13 great-grandchildren, 7 great-great grandchildren, and family in England. She is loved and missed by all. The family would like to thank the staff and residents of Wynfield Park Health and Rehab for their loving support and kindness given to our loved one during her final days.
