“ Dear Couch Family,
I was a very good friend of Cookie's during elementary and Jr. High School. For many years there were Couch and Simpson kids going to school together. Cookie was a great and loyal friend and I remember fondly the fun times we had on Jean Street as if it were yesterday. What memories I have of those years, the kind that bring nothing but smiles to your face and heart. I hope the memories of your family life, help you through this sad time. She is with her Mom, Dad and siblings now watching down over those she loved and left. How happy she must be!
My best to you all.
