“ *Hey MeMe,*

*Wow I am so so so touched by the gift Claudia told us she had for our new little grandbaby Jayde, I cried and cried when Chad told me, that you had had the sweet forthought to knit a blanket for your GREAT GRAND CHILD. you are the most amazing grandmother any child could hope for. I am taking the name MIMi in your honor because I pray I can be half the grandmother you were to my babies. Lindsey has been so so so sad lately. missing you so much and flooded with sweet memories. I love my new grandbaby so so much and I am just a little sad you didnt get to meet her, but if heaven is truly what I think it is, you already met her and you prepared her for her special journey here to be with us!! She is as perfect as perect gets. She looks so much like Jessica and Lindsey looked as a baby. i miss you and Charlie so much I hope you two are having fun being reuninted up there. Watch over us please especially Little Lindsey during these hard teenage years she needs your guidance and support!!! IOVE YOU!!!*
