“ I am Bill Davis (was known by my middle name Eugene in high school). I was a classmate (Class of 1966) and good friend of Norris at Lee County High School. We hung around together at school. We went to Albany in our senior year to ask for donations from grocery stores for items for the bar-b-que we held to raise money for our class trip. We both had hogs to show in the Southwest Ga Fair in Albany in 1965. On Sunday after the carnival had moved out, walked around the midway area and found several dollars worth of change people had dropped at the ticket booths at rides. We went to Dawson GA to sell ads for our Trojan yearbook. I am very sorry to hear that he passed away earlier this year.

“ *Aunt Charlottle,*

Kira, Avery, Oliver and I are heartbroken to learn of Norris' passing. I still remember the first time meeting Norris when you and he grove out for a visit after mom had passed. One sweet memory I recall is him talking about a scooter he'd ride into work in Albany. It brought back memories of my own scooter I had, so when I see a scooter - I think of Norris.

I can't imagine the pain of losing a spouse, so please know we're sending our love and prayers of peace and comfort to you and Norris' family. We love you and wish we could be there to help support you. And to get a big ole hug from ya.

*With Deepest of Love,
Ian, Kira, Avery & Oliver Tarrant*

“ Charlotte, Chuck & I are so sorry to see this. Norris was such a fine man, and we always enjoyed seeing & talking to him. He always was "doing fine", though we know he had struggles. I admired his attentiveness to you and the story of you meeting him. We know he is reaping the rewards of his faithfulness and for that we are going to see him again in a whole new light. Love & miss seeing you!
