“ To the family and friends:

*My deepest sympathy is with you ALL. Mr. Ocie was a very special person to me. I will always remember his smile and laughter. Brad, Larry and Glenda, when he spoke of you, I could see and hear the love that he had for you. You are so fortunate to have had a father's love as you did. He may be gone, now, but he will never be forgotten. Now is the time to mourn your lose, but always remember your special times with your father. Those special times are what will get you through this difficult time.
I love you all!
With deepest sympathy,
Nancy Harp*

“ *Glynda and Larry, What memories I have with your family during our teen years. I thought the world of your mom and dad. I know this is a sad time, but he lived a good life and if I remember correctly, I know he would have lived it to the fullest up to the end. Keep your memories in your heart, they are with you forever. Our thoughts and prayers are with you and your families at this time. Love, Rita and Russell*
