“ Rusty - I loved both of your parents very much. Your mother always treated me like I was one of her's when she would see me, and there was never a better man than LM James. I can still see him standing in the pulpit making announcements and your mother singing in the choir at Beacon. If we all lived half as well as they both did the world would be a better place..

Rusty, I am so sorry to hear that your mother passed. My thoughts and prayers are with you and your family. I loved your parents with all my heart. They were both such wonderful people. I can still remember the love and service they both gave to the Lord and the people at Beacon Baptist. At age nine (1968), your mother presented me the opportunity to accept Christ as my personal Lord and Savior in her Sunday school class. There is no greater love and opportunity in life. Your dad was a sweet, generous and great man. He smiled all the time. I know they are both in heaven. When I graduated high school in 1977, your mother gave me an engraved pewter bracelet with my initials. I still have it today. I have worn it with fond memories of your parents through the years, as well as the remembrance of the person who led me to Christ. If the virus wasn't around, I would certainly be at her funeral. I will be thinking and praying for your family. Sandy Gibson Smith, Cumming, Ga
