“ Coach Field was a wonder person as well as a teacher.I played softball for the church league and he was a great umpire and helped to solve bad situations.I also had him as a teacher at Dougherty High.I couldn't have asked for a more understanding teacher to his students problems.I have thought about him over the years and talked about him to other team mates in my sports activites through the years.I am so sorry I missed this time to pay my respects.Couch...you will be greatly missed.

“ I am so sorry to hear of Coach Field's death. He was my football coach at Albany High in 1962-63. I really got to know him when we officiated softball together at old Highland Avenue ballpark in the early 80's. He will be remembered by many generations of Albanians for his contributions to their lives. May God comfort you all in your time of grief.

“ *I grew up in close by Arlington, Ga. and did not know Mr. Field. However, I recently read his obituary online and was moved by the accomplishments Mr. Field has spent his lifetime attaining. I am a teacher/coach in Jackson Co. just North of Athens, Ga. I know the kind of influence that coaches have on the lives of the students. Whhen I read that Mr. Field taught for over 40 years I couldn't help but try to imagine the effect he must have had on the young peoples lives over such a time frame. I am truly sorry for your loss and can only hope that I can live up to the standard set by Mr. Field.*

“ I have known of Coach Field for many years and really coach Field the man since I had children at Dougherty High. I would describe him as a very nice man inside with a slightly rough exterior. I noticed that all the students cared dearly for him and he loved them and his job. He was a man to be admired, his accomplishments and the was he treated the people around him. Thank you Coach Pat for allowing the parents of your students into your life.

“ *This is to honor Coach Field. He was my coach at AHS during 60-62 seasons along with coaches BoB Fowler, Jerry Clark, Graham Lowe, Gordon Dixon, Coach Mullis and John Tillitski. After spending 30 years in the Air Force, I came back to live in Sylvester to take care of my father Leon Almand and we would sit with Coach Field at Kiwanis Club meetings when he came over on interclub visits. He was a fine man and had a big influence on my life as did all my coaches. I am grateful to have known Coach Field and I know his family is proud of him and will miss him greatly. My best to them in this difficult time.*

“ Coach fields,was a very special friend he will be missed. I remember saving boxes for him so he could help the sports department at the Dougherty High school. Every christmas he always brought me and my staff peppermint candy. Each day he picked up the boxes he always knocked on the back door and said hello young lady I just wanted to speak and tell you dont stay too long by yourself. our hearts are sadden by this lost but we know he's in Heaven smiling down looking over us as he always done!

“ I would like to send my condolences to the Field Family for the lost of a wonderful man. Coach Field as I knew him was like a 2nd Father to a lot of the students that he served as an educator. I will always remember him for his Big Hugs, Warm Smile and one of his phrases he would often repeat "Coach Givens and I are the only two black coaches at Dougherty" Again I would like to extend my condolences and Thank You for sharing him with us.

“ Many years (42) ago "Coach Field" made a very positive impression on me and contributed to my development into manhood. I have always been grateful for that "indirect contribution" he made to my life. I am sure he had this impact on many young people whose development during high school years he was entrusted with. My sympathy to the family and friends of this good man.

“ I will never forget playing softball one time I had a problem hitting the ball well. Coach Field was calling the game and told me "if you want to hit the ball hard, quit dropping your shoulder". Once again, he advice was right. Having known Jeffery, Nancy, Warren and Mrs Field for 30+ years, I consider it an honor to have known Coach Pat Field.
