“ *I went through school with Pat and never knew a nicer person. She also taught my son
In middle school. I'm sure he gave her many a gray hair yet she always had something positive to say. It's those little things that can mean so much to a student and parent. She was a wonderful teacher and friend. So sorry to the family for your loss.*

“ I had the great honor and privilege of meeting Mrs. Patricia Key Bradley back in 2002, when I was a new teacher at Albany Middle. Mrs. Bradley was a sweet, thoughtful, and kind person. I enjoyed working with Mrs. Bradley at Albany Middle until her retirement in 2004. Her smile and laughter will always be remembered in my heart. My prayers go out to her family at their time of bereavement.

“ Mr. and Mrs. Pat were like my "other parents". We lived across the street from them as long as I have memories. Laci and I were inseparable during our younger years. I have very fond memories of helping Mrs. Pat grade papers and her getting on to Laci and I for giggling too much in the backseat of the car. She took us to dance recitals, practices, concerts...you name it. She will always hold a special place in my heart and she will definitely be missed.

Mrs. Patricia Bradley will definitely be missed. I am a former 6th grade student of hers who attended Jackson Heights Elementary School and had the pleasure of having her as my teacher. Mrs. Bradley was the best teacher who cared about her students. We loved her class because she cared and she made Social Studies fun. Those spelling tests you had to have studied. I also remember the class celebrations where cupcakes were on for everyone, no one was left out. As a child, I also have the fond memory of her encouraging me to do my best. She was a fun teacher and she collaborated well with Mr. Manning and Ms. Powell her colleagues. I also remember when she had her prized possession Laci. She spoke of her often. Please know Mrs. Bradley made a difference in my life. I am a teacher now because she led the way.

“ *Lord, prepare me to be a sanctuary
Pure and holy, tried and true
With thanksgiving, I'll be a living
Sanctuary for you*

Probably my most favorite part of our Sunday school class was standing in a circle with the other "Princesses" and singing this song.

“ To Pat's Family members,

Pat and I went to Elementary School together and have known each other as colleagues in the school system over the years. I know there will be a void in the transition period, but she was a trooper with a great smile and wonderful spirit. You all know where she is and that there is a time for reunions.

I talked to God this morning, and asked Him to give you peace and hope and strength in your time of loss and sadness. Though there no words to ease your pain, remember that she is now in heaven, in Gods loving arms where she is now at peace. Never have I known a more loving, giving, caring person. Her legacy will live always in the lives of all the children she touched. My prayers and sympathy to you and your family.
