“ Pat and I were classmates at Ole Brook (Brookhaven High School) Class of '54 as indicated above . . . I can't believe she's gone. But then one must remember, hard though it must be, that we are here but for a blink in the eye of time, and it is ever so difficult for us survivors to grasp the reason why our friend had to leave so soon. In deepest sympathy to all her family. May she ever rest in Peace.
