“ *I will truly miss our e-mail jokes and sharing information about our trips to far away places.I will always remember the boat trip down the silver river we made with Carol and my Daughter Gail right after the hurricanes a few years ago dodging all the trees that had fallen down in the river. I sure will miss my last aunt.----George*

“ Jenny and I are so saddened by the loss of such a wonderful lady. Pat always had a big smile on her face when we saw her. She had a heart that showed thru the twinkle in her eye. The human world and the animal world lost a true friend. Now she can look over our fully friends in Heaven! We both wanted to be at the service but did not know the arrangements. Please know that our hearts were with you all.

“ My deepest sympathy to you, Pat's family and friends. Pat was a wonderful woman and mother to her four legged babies. Pat and I were involved in pet therapy together for several years. Charlie and she were a great team and will be missed by so many of her regulars at the nursing home, hospital and ACTO. I know she enjoyed her trips and traveling also and so many of those travelers will also miss her. God speed Pat, you will be missed. God bless, you, her family and friends. Be at peace Pat. I loved you.
