“ *My name is Amy Goodroe and my mother's name is Melanie Goodroe we recently heard from Patsy's friend Melva at Wal-Mart about her passing. We were really sad to hear about it. We knew Patsy for years and always enjoyed seeing her at the doors greeting us and others. She was always a sweet person and always in a good mood even when I'm sure she wasn't feeling well sometimes. It was nice to stop and talk to her we enjoyed it. She will be very missed. R.I.P. lovely Patsy.*

“ I work with Mrs. Patsy at Walmart. I'm going to miss my sunshine. My favorite memory of her was when this big guy tried to steal out of walmart and show a old receipt. Mrs Patsy looked up at him and said" you wont be leaving out of here with nothing until you show me a receipt with todays date on it. She had spunk, that man ran into our under cover warrior. I was waiting for him to say something to her because I was fixing to go off. I loved my Mrs. Patsy. RIP

Patricia...Thank you for your love for my mother. There are many ways to describe her but my favorites have become "feisty", spirited, gutsy and now yours "having spunk." As her "middle" son, don't be surprised that I already knew that. She was always determined to do her best at Walmart. I am proud that she was able to work till she was almost 89. I am glad that you were able to share days and love with her.

“ *Sweet Ms. Patsy. I had the pleasure of being her hair dresser for several years. She was simply a special lady. She loved her children and grand children, her job and most especially her husband. She always told me that she was his "doll baby" and he treated her like a queen. I loved my Wednesday morning visits with her at the beauty shop. She was truly a woman to be admired. Always a beautiful smile and a sweet heart. I love you Ms. Patsy.*

My heart aches as I write because my life will never be the same. A piece of my heart is gone. Mrs. Patsy was more than a customer, she was my friend. I look forward to our Wed visits then our everyday visits. She had a certain table she sat at in Ryan's so she could see all her customers from Walmart. She would brighten any room she came into & shared her big smile with everyone. I had the pleasure of knowing her family without even meeting them. She loved her family dearly. My days at Ryan's won't be the same without our talks, laughs, our hugs & the I love you she always gave me. I love you Mrs. Patsy. You said I was your favorite but truth is that you were my favorite!!!! I miss you so much!!!!

Sharon... Thank you for the sweet feelings you had for my mother. I was so glad to meet you at the visitation. I know you are one of the reasons that Ryan's became her favorite place to eat daily. I know my mother cherished the friendship you two had together. As I told you, I will be by Ryan's soon to see you again and have lunch and share more thoughts about my mother. Our love and thanks to you for all your kindness.

“ I am so sorry to see that Mrs. Pasty passed away. I did not know her, but every time I went to Walmart she was there greeting. I really admired her for that. She had a smile on her face. I know that to night she is really smiling in the presence of Jesus and standing tall. I pray that our Lord will comfort the family to night and in the days ahead.
