“ *I just learned of Dave's passing I'm so very sorry. My grandparents lived on Franklin ave and Dave's house on North ave was right behind. I did not live in Portsmouth I live in Dayton, Ohio. I met Dave when I was nine in 1952 we were the same age. I would visit often at my grandparents and spent many summers. Dave and I were friends up into High School years. During my visits Dave and Charles Tomlin, a friend and neighbor would walk every inch off Portsmouth. Going to movies, the pool in the summer and countless adventures. Last time I seen Dave was when my wife and very young daughter visited in 1966. His mother had just moved from Portsmouth out to the West side and Dave took us all out to see her. After that we lost touch. Charles Tomlin and I have recently reconnected on Facebook and have shared some of those very fond memories of our Youth. Again I am very sorry to hear.*

“ Hi Dave, it's me, ya know the mess up! I've been thinking of you all day and your family. I know how they must be feeling since you've been gone. It will be 4 years on the 22nd my mom will be gone. I wonder have you ran into her? I try to say I do not believe in heaven but that's just a defense of mine, I would love to believe your up there running into her every now and then maybe even having some " etiquette " time occasionally. I sure miss those times. 2016 hasn't been to great of a year, lots have happened (none to good) but so far have managed to make it. I know it's been a hard year for your family and it never gets easier you just learn how to live differently I guess you would say. I could bore you with details but I think I'll keep them in, it's been a long year without you but I'll tell you all about things when I see you again. Love always Dave.

“ *My sincere sympathy, thoughts and prayers to Brenda and family at this most difficult time. I am so sorry for your loss. I worked with Dave at the Marine Base in Albany and he helped me many times on the job. He was a fine man and I did enjoy working with him. Brenda I enjoyed your contribution of food to our parties at work. No one could make baked beans like you I truly enjoyed them. Again, I am so sorry. He is now with our Lord and will be watching over his family and friends.*

“ *Dear Boyd Family,
So sorry to hear about your loss. Nothing can really fully prepare us for the loss of a loved one. But we can find comfort and hope that they are no longer suffering as ecclesiastes 9:5 reassures us that they feel nothing at all, and that One day we won't have to deal with death because there will be no more pain and death like Isaiah 25:8,9 tells us. hope this has brought some comfort to you. And again my condolences.*

“ *Brenda, Jeff, Amanda, and all of Dave's family, please know that Dave touched my life very deeply. Dave was a friend, mentor, and a father-figure to me. From of all of the long work days we shared, where he would guide and teach me. To the many times spent on his back porch discussing family, cars, current events, and life in general. I will always cherish the memories of him. He was a fine man, and a very proud Marine. I consider myself very lucky to have known Dave and to call him my friend. You are in my thoughts and prayers.*
