“ Sweetie,i went to your grave site yesterday and stayed late. Cleaned it up good and made sure yours and mothers grave had same flowers. It sure looked good!I talked about my devotion and loyalty to you,knowing people just are not comfortable with that. I hate it for them.Acomment was made that i still loved you. lol. Dah!!! will not deny it. EVER.I have to give you the respect and devotion you so wanted in a man,even if you are not here.I know you see it,and i will as long as i am alive make sure you place there is taken care of.I always look at it and imagine what i can do to improve it.You are in the lord's hands and that is great. But i shall not forget you. I meant my vows. I miss you and your family does.God bless see you soon. Your man!!
