“ We cherish the memories of the years Paul served as our pastor at Montevallo First United Methodist Church. Paul was with us when our daughter Beth was born, and we were pleased that he was the minister who baptized her. His tenure at MFUMC was marked by dignity and grace, and we were sad when he was moved to a new church. We extend our deepest sympathy to his family members, knowing they will find comfort in the knowledge that Paul fulfilled God's high calling and, through his ministry, helped to further God's kingdom here on earth.

“ Paul meant so much to my wife, Doris and me. He was an assocaiter minister at Trinity when Doris was a teenager. He was my minister at Cahaba Heights UMC; he married us at Trinity UMC in 1969 and he baptised our son, Nathan at Montevallo in 1976. My father, Luther Sparks, told me last night that he was closer to Paul than any other minister he'd had at Cahaba Heights UMC. They became good friends. I fondly remember Paul's down-to-earth demeanor and his quick smile. Hw will be greatly missed.

“ We have loved Paul and held in in very high exteem. He served as secretary of the No.

Ala Conf with great ability and dignity. While I was serving as bishop of that conference, he was always "my right hand" man. With numerous items for the conf. sessions, Paul had the ability to see that nothing was forgotten or overlooked.

Blessings on all the family and remember we are keeping you in our prayers.

My association with Paul goes a long way back. I was working at Cahaba Heights Church while he was serving there. My grandparents moved to Bham and became part of that church. Paul had their funerals, my mothers and my husband, Tom, who was lay leader the four years Paul served Cahaba Heights. He also had the wedding ceremony for my daughter, Judy. As you see he was associated with four generations of my family so you can readily understand how much he has meant to me and all my family through the years. We will be remembering you in our prayers.

“ Paul's friendship goes back a long way. I baby sat Jim & Jan when they were at Cahaba Heights UMC. Paul married me and my husband, Skip in 1973. He has been a wonderful friend and will always be remembered. May our memories of Paul be a comfort to us in this time of sorrow. Love, Skip & Judy

“ My mother, Mary Frances Joiner, and I treasured Rev. Gauntt's friendship. I particularly appreciated his attendance at my mother's memorial service despite his illness. He will not be forgotten.

“ Paul has been a really true friend to my family and me. He ministered to four generations of my family, in both happy times and sad, while pastor at Cahaba Heights UMC. He then moved to Montevallo UMC where I was attending college. He was there when I was ordained Deacon and seemed to know I wished my Dad was there, then we worked at United Methodist Headquarters together several years. Thank you, Paul. for being my friend. I love you and, Joanne, I love you and will be remembering you in my prayers.

“ Paul Gauntt was our pastor and friend while he was at the First United Methodist Church of Montevallo. We missed him very much when he left our church, and were saddened to learn of his death. We extend to his wife and his children our deep sympathy; we pray for their comfort in this hour of their bereavement; and, we join them in happy remembrance of Paul's good and useful life in God's service.

“ Paul Gauntt was many things. A wonderful husband to my mother, a caring and wise second father to me, and a loving grandfather to our children. Most of all, he was a true gift from God to our family, his friends, and anyone that knew him. We will miss him deeply, but we draw strength from the certain knowledge that he is now at home and at peace with his Lord.

To everyone that has been so supportive to our family these last few days, I want to say thank you. Your expressions are proof of a life lived in Christ.

“ *Steady. Faithful. Concerned. Witty. All of these words describe Paul Gauntt for me. His passion and compassion for people spoke of his love for Christ. What a blessing Paul Gauntt was to my ministry and to the people of Porterfield Church. I am sad. I will miss him. He has influenced my life! One of the best things I did while pastor of Porterfield was to convince Paul Gauntt to come on staff as one of the pastors. Paul's investment in life will continue to pay dividends for countless individuals. Susan joins me in lifting up Joanne and the whole family in our prayers.*

Blessings on you all!

“ Our deepest sympathy to Jim Gauntt and family at the passing of his father. Although I did not know Mr. Paul Gauntt, we knew his son Jim very well. Everyone has heard that "apple does not fall far from the tree" so with a wonderful son like Jim, we know that Paul was also a wonderful man that will be missed by many

“ Visiting Porterfield UMC as the Vashti representative was a joy due in large part to Paul's warm welcome. I sat with him during the first joint UMM/UMW dinner I attended as the speaker and his warm conversation through the meal set my mind at ease and enabled me to do a much better job when it was my turn to speak at the podium. He was a joy!
