“ I just found out today about Paul's passing. We went to middle school together where he inspired me in many ways. I became his barber a few years ago and looked forward to seeing him. We laughed and talked about many things. God really blessed me with allowing me to be his barber. I an so heartbroken and am really going to miss him. He was more than a costumer he was a friend. Please know you are in my prayers. In Jesus Mighty Love, Melanie

“ Paul was a wonderful, sweet man. We met online 9 years ago. Always wished we could have met in person. I sent him a blanket years back, It said, 'The Road to Friendship is never long'...wonder if he still had it? Rest in peace, my friend...love, 'Sweetcheeks'. (Barb).

“ Paul was a nice guy with a great sense of humor and the ability to adjust. He took what was dealt him and made the very best of it without complaining. We worked together and he helped me to adjust to my new position 17 years ago. This year I learned I have the same condition he had and again he helped me to adjust. Paul was a great guy and I often told him so. Paul would want all of us to adjust. He always did. My thoughts are with the family.

“ Joan--Paul was such a wonderful person. Just when I would get frustrated with an ordering process he would calmly say "I can help you with that" and like magic all would be well again!! He was a very giving person who I know you were very proud of. You are in my thoughts and prayers!!! Hillary

“ No matter when you saw Paul, he would always give you one of his smiles. If he was having a hard day you would never know it because he always acted like everything was going his way. I will miss running into him in the halls of Phoebe.

“Joan and family, Paul was my buddy! I did some picking on him and he picked on me. He was one of the first employees I met when I started Phoebe 19 years ago and I will never forget him. Paul and I would always pickup where we left off even if it was 2 days or 2 weeks later talking to each other...Paul was my friend and I'm going to miss him lots. Please know you continue to be in my thoughts and daily prayers.
