“ NO ONE REALLY KNEW THE EVIL GOLD DIGGER SHE WAS. PRETENDING TO LIKE MY FATHER JOSEPH, PLOTTING AND SCHEMING TO LIE TO HIM ABOUT ME. SAYING THINGS: SHE'LL PUT YOU IN A CONVALESCENT HOME, HAVE YOU CREMATED, AND CAN'T TAKE CARE OF YOU B/C SHE'S SICK. SHE WOULDN'T LET ME BE ALONE WITH HIM FOR FEAR SHE WOULD LOSE MY INHERITANCE. NOW IT'S WITH HER 3 DAUGHTERS. HER SON, DONALD, WAS ESTRANGED FROM HER. NEVER VISITED HER NOR SPOKE TO HER AFTER HE LEFT HOME. HER HUSBAND, MOLESTED HER DAUGHTER(S). AND SHE STAYED WITH HIM TO GET MILITARY GROCERY AND CLOTHING SHOPPING. SHE SHOVED ME OUT OF DADDY'S HOSPITAL ROOM WHILE CALLING HIM DADDY PRETENDING TO BE ME WHILE HE HAD ALZHEIMER'S. SHE RUSHED HIM TO CLAYTON SMITH TO GET HIS WILL CHANGED TO EXCLUDE ME FROM IT TOTALLY, TOTALLY, TOTALLY. HE SAID IF I CHALLENGED THE WILL HE WOULD SWEAR THAT JOSEPH WAS OF HIS COMPLETE FACULTIES. i WISH HER ENJOYMENT IN ETERNITY WHERE LUCIFER LIVES. HE DOESN'T SERVE ICE WATER.

“ I hope this isn't inappropriate, I know that this is a sacred time for your family. I felt impressed to share this thought and observation with you. I was one of the citizens on the highway that night that tried to help Ms Paula. I can tell you that there was such a sweet spirit of peace and love emanating from the area around the accident that it was evident that she was a very special person and that it was a sacred, hallowed space. She must hold a special place in the Lords Kingdom and was loved by those that received her.

“ Ms. Paula was such a sweet lady. The biggest smile and always a joy to be around. I enjoyed worshiping our lord with her at First Baptist Church of Putney. I will miss her very much until we are reunited in the lord's kingdom.

Dear Phil, U will miss ur friend, Paula Jarrett Nettles, who had one mission: to take Sgt Frank Perry and turn him against his only daughter, Jane, who only called me after having out pt surgery and only when Miss Nettles told him she had to have surgery in Macon where she was actually visiting her daughter and Grandchildren! Same surgery she insisted on undergoing all the times she wanted was to get away from him. All she had set her ill intentions was to brag to my face that She would get All my inheritance! Every last penny and especially since she got her name on his check book which he never even put my Mother's name on b/c He thought of her as chattel to cook clean and all chores of a House Servant!!! Talked down to her!!!! My Mama and I were his gophers!!! Go fer this go fer that... like his commands were our primary reason for our being!!!! He turned his back on me and I was replaced with the phoniest being in this world take him over mind body and soul!!!! He didn't have to marry her...lived in as his comcubine. As his lawyer shared she could do for him what I couldn't.... If only she'd been in place to hit that Man carrying his precious children in 2006!!! His Will would have been so VERY DIFFERENT. My inheritance went to thecNettles Clan and her brother the adulterer Bob Jarrett....His mind is in his pants too!!! Small minds think alike huh, Polyester poontang Paula Fay Jarrett Nettles. She never left me to talk like Father/Daughter; always planted her fat ass between us to be in earshot of whatever we talked about together as Father/Daughter!!! She shoved me out of his hospital rooms, had to be asked to leave when she crowded into his hospital room to prevent me from talking with him. Pushed me out of room and locked his door and called him "Daddy" so he'd think it was I there in the room. She called and told me to stay away while she sold our family furniture and yelled into the phone "we're not waiting for U to come from Atlanta to get my Mama's beautiful "Gone with the wind electric lamp with tiny flowers hand painted on the Globes!!! She even called me to say I had stolen her "glasses". Wasn't educated enough to call my Mother's Crystal—"Crystal" but "her" glasses said that I stole them. I simply replied I haven't stolen anything that was Yours!!! But I can't say the same for you!! You took over and made sure You got everything that was Promised to me by my Father, Joseph Frank Perry @! Least half dozen times during my late teens!!! But she stepped in between and TOOK IT ALL AND DANCED UP AND DOWN THE FUNERAL HOME GRINNING LIKE A FAT CAT LOOKING TO FIND HER NEXT VICTIM THAT SHE COULD ROB.

“ Miss Paula was our neighbor for over twenty years! We loved her like she was our own mother! Miss Paula knew that we liked to preserve figs so she would always give us some and let us pick them from her beautiful fig tree! When we moved she gave us a branch of her tree that she had rooted and it is now happily planted in our front yard! We will always remember her when we put up figs! Miss Paula was best friends with my Aunt Jean Gilmore who also passed away on December 1st due to illness. I can just imagine the surprise reunion that they had with each other as they entered the presence of our Lord Jesus Christ! WE love you Miss Paula and we look forward to seeing you again!

Not by my family!!! She confiscated all she could from Joseph's hard earned income and savings. Made sure his only offspring (BLOOD KIN) received ZERO!!! May she beg for ice water through all eternity.
