“ Mrs. Pauline was a special person in my life. I'm so grateful that my mom signed me up for her dance classes, and I was blessed to dance with her for eight years. We have kept in touch over the years, and I'm so grateful she was able to meet my last baby boy before she passed. She was an inspiration to me, and her devotion to what she loved--family, dance, dogs, flowers--was so admirable. She was an unforgettable woman. Talented. Driven. Kind. Beautiful inside and out. I am a better person because I was loved and mentored by this amazing woman.

“*Pauline was a wonderful person. Talented and thoughtful. For someone as physically fit to get and die from West Nile Mosquito bite is bad, but her years of suffering is heart breaking. Love to her children and grand and great grans! Elizabeth*
