“ *We love Pauline so much as she always brought us much joy with her pride, beauty, and kindness. Martha is unable to see butter without thinking of Pauline and loved how she loved to have all her drinks and food very hot! Cindy thinks of Pauline everytime she puts on her eyeliner. Annie wants to send her blessings during this time as Pauline will always be her princess. Our thoughts are with you during this time, Love the staff of Courtyard Gardens.*

“ I am a faithful obituary reader, so this Sat. I noticed that the original owner of the house in which I live, 1112 Rawson Drive, has died. So many of my friends and neighbors refer to my home as the Goldstein House, and they remember Pauline and Harry so fondly. I, too, love the character and beauty of the home and yard, so I believe I would have loved the Goldsteins as well.

I believe Lloyd and his wife must have taken good care of his mother for her to make it to 98. Blessings on all of you.

I shall try to make it to her funeral tomorrow, but if not - god bless you.

“ Pauline and Harry were very special to us throughout all the time we lived in Albany. I (Wanda) spent many pleasant hours visiting in her home, going out to lunch and shopping together on many occasions. She was a very dear friend. Our heartfelt condolences go out to all the family.

“ *Lloyd and Fran - -*

Our deepest sympathy goes out to you at this time. Pauline was indeed a very special person and a very "classy" lady. We always enjoyed her company. You have given her the very best care during her 12 years in Atlanta and this must give you much peace of mind.

May God bless and comfort you.
