“ Lulu love for me to do the girlie stuff. I would do her hair and paint her nails. She enjoyed the pampering that most girl love. She really like for me to paint her nails red color while we sang Elvis songs.....

“ *I have so many memories of my Aunt Lulu I would be here all night posting them .Some of my favorite were digging worms to go fishing .Playing waffle ball and watching the 3 stooges.Lulu loved them .My all time favorite was the opening song for the Brady bunch when the family would appear in lil squares .Lulu wouldn't let us talk until Alice appeared in the middle at the end of the song .She would clap her hand and cheer like it was a sporting event .So much fun*

*LuLu was always the happy one of our bunch. She never met a stranger and on Sunday before Mass she would go to each pew and greet everyone. I can just imagine Marie welcoming LuLu, her baby, into her arms and showing her around heaven. She will be missed but we all know where she is at. Love you our dear little sister.*
