“ *Billie and Nancy, I remember your Mom as one of the sweetest ladies I knew when we were growing up. I loved to come to your home to listen to records. She always made me feel welcome and had such a quiet, sweet nature. I know that you miss her! My sympathies are with you! Nancy*

“ *Mrs. Nancy, Jim, Mrs. Billie, Reed, Chris and Johsua Honey and Lolly have a special place in my heart. I will always cherish my time spent with them. I was welcomed as one of their own grandchildren. I am deeply honored. From cutting their beautiful lawns, to placing garbage bags on the roof turbines in the winter, to family gatherings at their house, to drinking a coke with Honey on the porch, to eating pizza with Lolly on her 91st Birthday. The memories go on and on. They influenced my life as I was entering adulthood. I learned Honesty, Love, Respect, Forgiveness, Laughter, and more Wisdom than I could retain. I will be forever grateful. Honey and Lolly Rest in Peace, for you have fulfilled your contribution to this world*

“ Dearest Nancy,
What a great loss with the death of your mother. She was one of the last, true "genteel southern ladies" and I know she will be missed by so many people from church, the garden club, and all of Albany. Not only is her passing a great loss to the community, but also to the entire Joiner family. She was the last of a generation and we will never, ever measure up to them. I consider it an honor and a blessing to have been at her house with you when she left us. May God grant you great peace and eternal love. Always and forever, no matter what. I love you. Sara

“ Billie- I am sorry to hear of your mothers passing. You may not remember me, but you were one of my kindergarten teachers in 1988. I will keep you in my prayers.

“ *Your Mother was such an inspiration to me as I taught the Hawk class and was the Bible leader for Circle 7. She was always there in a quiet way supporting me in my effort to share my thoughts with the ladies. I have missed her and will continue to miss her. Hold on to the wonderful memories you have of times shared with her.*
