My prayers are with you and all of your family during this time of grief. Peggy will be missed by many people. I always enjoyed seeing her and getting a hug and kiss on Sunday mornings at Church. She was a special lady and made those around her feel special.

“ I worked with Ms. Peggy several years ago at JCPenny's. I'll always remember her being such a fun and sweet woman who loved her family and spoke of them all the time. I know she will be missed.

“ Peggy will never tire of showing her angel wings....she was such a special person who could always make me laugh and never skipped a beat, no matter what the topic. She was a strong, caring and fun loving individual whom I will deeply miss. Peggy, we will meet again someday and pick up right where we left off, and this time I'll bring the Applebees! Love you dearly and miss you terribly, but what a great job of raising your children you did. Tracy could not be a more devoted daughter and Richard was with you when she needed a little rest. You will be missed by many many folks. I'll always love you, my dear friend!

“ Tracy, I'm so sorry to hear about your mother. I know it's hard, we went through the same thing with mama. Just know that she is not suffering anymore and keep your good memories with her close to your heart. I will be thinking of you in the days to come.

“ I love you so much and I am going to miss you and all our wonderful talks together. The only thing that will get me through is knowing that we'll be together again one day. Jesus needed another Angel and he picked the best one he knew to join him in Heaven. I will never forget you. I love you.
