“ *My heart is heavy as I write these words about a dear friend. Peggy touched so many lives as a nurse, but one patient in particular that I remember always said "Peggy saved his life". My dear friend will be missed by many and I will definitely miss my talks, texts and visits. Today she is healed and walking the streets of heaven with our Savior. We can all rest easy knowing that we will see her again one day. Our thoughts and prayers are with the family. Love in Christ, Tracy & Ricky Harrell*
