“ My love and prayers go out to you all. Mrs. Sutherland was a warrior and fought a hard battle, but she also had you four, standing by her side the whole way. I am glad God gave you all the opportunity to be with her when He took her home. The peace of it all is knowing that you will some day see her again. As my extended family, so many of my childhood memories include Mrs. Sutherland and your whole family. I love you all and will truly miss your mother.

“ Just letting you know that I am sorry to hear of your mom's passing. I know your hearts are filled with alot of pain. Praying for God to comfort you and give the strength that you need at this difficult time in your life. Your mom had such a sweet spirit about her. The memories will mean alot more to you that you have of your mother. That is what will get you the days to come and the strength of the Lord he will carry you through. You all are in my prayers.

“ To all of you I am so sorry for the loss of your mother. We all had special times with her even when she said I was crazy all the time. I remember the slumber partys at your house and that dog of yours that seemed bigger then all of us. Many laughs, tears, and special memories for all of us from a woman who was incredible and full of life and love and will be missed
