“ *Garry and Family:*

I am so sorry to hear about your father. He was a good man and I use to love coming into the store when I lived up on the lake (1979-1980). I rode up there when my brother; Bobby, died.(2007) I could not believe how much it has changed. I loved living up there, I am living in Florida now, yuk! My thoughts and prayers are with you.

You are in my thoughts and prayers. I can remember Mr. Pete picking on Tripp and Brooke when we came to visit and he always told me leave "your brother" home and come back to see him. He was a very special person. Keep all those good memories near as you go through the coming days.

*Love
Cheryl*

“ Pa,
I miss you so much! I know you are in a better place now but it is still very hard. I could not have asked for a better grandpa than you. I am constantly thinking about you and wishing you were here. I know that may be selfish but I love you. You are missed sooooo much. I love you always and forever.
Love you,
Erin
