“ *I have several fond memories of Phillip. He was my mother's first cousin and because they were close I was able to have several great times with him when he visited his father, Uncle Frank. I have often thought of him and the jokes he would tell or the tricks he would pull. There will always be a memory in my heart for him. God Bless his family during this time.*

“ *Mrs. Jean . . . many of my first memories take place in your home on Colquitt. You and Mr. Phil will always be a part of my childhood.... whether it was playing at your house, or watching Mr. Phil meticulously groom your beautiful lawn. It's hard to even remember him without envisioning him in his coveralls! You were both so good to my grandmother, I will always be so thankful! Mr. Phil was quiet, but such a strong, kind man - a good man. I'm happy I was able to see you both not too long ago and to see him smile! Please know I am praying for you and your family as you face the days, weeks, months ahead . . . I love you both! With my heart felt sympathies, Blake Bailey*

“ Phil was a very possitive influence in my work ethic. He was very perticular about maintaining equipment properly and keeping everything clean, neat and ship shape. He was very kind and considerate to everyone. When my family and I moved to Albany, Phil made and presented me and my family with a decoritive wooden address plaque that he had made in his shop to fit our new mailbox. God Bless all of your family and friends.

“ Phil was a real person I never once felt a strain for conversation with. Truly one of The Greatest Generation who built real wealth and railroads our generation is still riding on. The Tool Man will be fixing stuff throughout eternity. I hope we will be neighbors in Heaven. Love You Phil, You are already missed. God bless all the Marleys.
