“ Debra, Chad, Keisha, Trent, Madison & Landon,
We are so thankful that we had the privilege of knowing Phillip! He made a great impact on our lives as he did many others. Take comfort in knowing that the Bible says to be absent from the body is to be present with The Lord so he is rejoicing around The Throne today.
Much love & prayers,

Keith and I were so sorry to read in the newspaper of Phillip's passing. We were not able to attend the viewing or the funeral, but, we wanted to be sure to let you know that you are in our thoughts and prayers.

The first thing that comes to my mind when I think of Phillip is the memory of you and him coming into The Christian Lighthouse bookstore quite frequently on your lunch hours. Such a handsome couple with lovely smiles.

May God bless you and keep you.

“ It seems like only yesterday that we all sang together in the choir at First Assembly, or on praise team or the numerous ensembles, quartets or trios we all were a part of. We will always remember Phil's sense of humor and fun, his deep love for his family and his commitment to Jesus. It was a joy to watch Chad and Keisha grow up in Youth, to watch Trent and Keisha's love grow into the beautiful family they have become, to watch Chad become the fine young man he is...this is Phillip's legacy, and it will endure...Debra, we will continue to pray for you and your family in the days to come...we love you, may God richly bless and keep you...Bobby & Sherry

“ Hello Lisa and Family,

We were shocked to hear hour news about Phillip. I can remember him coming to the drug store at Hartzog's and spending hours talking to us in the afternoons after school. I really considered him a friend. He will be missed I know by his family as well as friends. The up note about all of this is there is a trio in heaven now, and I know they are singing in the choir if not trying to convince God to let them lead or sing a special.

Even though we must go through this grieving we have a Hope that is steadfast and sure that we will see them again in the BY and BY.

We all love you and your family and our prayers are with you.

“ Debra, May the support of family and friends bring you comfort, and may loving memories heal your heart . May you be comforted by the many prayers of others...

May you be strengthened by the many precious memories you have of Phillip.

“ *Phillip was a wonderful man! He was faithful to our church and an incredible role model. One thing we admired so deeply about him was his love for his family. His adoration for them was the perfect example of what God intended fathers/husbands to be like. He will truly be missed!*

“ Keisha & Trent: We love you with all our heart and have been and will continue to be in prayer for you and your family. Please give Debra our deepest sympathy as we will continue to lift her up in prayer as well. Keisha, though we only new your father for a short time, it was obvious to us that he was a man of integrity, who loved his family and God and we are deeply sorry for your loss. If there is anything at all we can do, please do not hesistate to ask. Thank you for all of your support and love in our struggle but as God is comforting and sustaining us, our prayer is he will do the same for you and yours. We Love you dearly.
