“ *Mr. Toole was one of the nicest men I've ever had the privilege of knowing. When I had my Home Improvement business, I could always know that he and his bride were there at Glenn's to help and answer any questions I might have. Mr. Toole could tell me how and what I needed to fix anything. I will never forget his kindness and smile. God must have needed something fixed and He called for Mr. Toole. RIP my Friend! Heaven's gained another great man.*

“ *Phil, Shirley and I were regular lunch pals for a time in the cafeteria of Albany High School and I remember his infectious smile and witty and kind personality. I look forward to seeing both of them again in Heaven!*
