“ Kay was a friend to all those she met. She was so helpful and served the Marines in her office with honor. She never said “No” to helping anyone. She was always so pleasant. She had a beautiful spirit, so it’s no surprise God chose her for His kingdom. A beautiful rose chosen for a beautiful garden. I knew Kay from the Base like others. My condolences and prayers for her family to feel the peace only God can give. She was one of the good ones. God bless you.

“ Kay always had a smile on her face whenever you met her coming or going in the hallways of the base. Such a sweet person to be associated with. Praying for the family that you will have peace and comfort in the next couple of days and weeks ahead.

“ *Joe & Terry, feel like we have met because working with Kay for 20 years at the Base, she spoke of you often. Kay was such a hard worker and kept a great attitude regardless of the situation at work. Regret that I cannot come to the service. May the Lord comfort You as only He can.*
