“ *She was my soulmate and confidante for 42 years. At times, her intelligence boggled my mind. We had some great times together, and we loved each other until the end.*

“ *Our thoughts and prayers are with you, Mr. Studdard. May God comfort and hold you during this time. I can still hear her distinct voice as she supported Brett and I through countless hours of basketball practice and games in our 4 years of HS. I also recall her friendly smile, kind words, and laughter in the halls of Westover. God Bless you...*
