“ *My heart is very saddened to learn of Jim's passing. Karen, my prayers are with you and your family. He loved you so much and was every so proud of you and the grandchildren. I still remember taking him to the hospital the night Andy was born. He was just beside himself that day with joy. Jim was such a great man to work with. He and I not only worked together many years for Dub Cone's, but we closed a lot together, which meant I took him home. After returning to Albany after law school, I would see Jim frequently and take him where he needed to go. He was always talking about you Karen and always making the best out of whatever was in front of him. So glad I can say that I knew Jim.*

“ *I used to work with Jim many, many years ago at Thom McAnn shoes. He was a great person. My thoughts and prayers are with his family during this difficult time.*
