“ Please accept my deepest sympathy for your loss. I was fortunate enough to meet Ralph when he built my horse barn 2 years ago. He was always cheerful, and so dedicated to turning out quality work. He could work circles around a man half his age! Every time my teenage daughter had a horse show, Ralph would wish her luck beforehand, and always ask how she placed the next time we saw him. We truly enjoyed hearing his stories for the short time he was in our lives. He will be missed.
