“ *My deepest sympathies go to Ray's family and friends. He and I worked together for the past 5 years and became good buddies. What a great guy! He always brightened my day with his great sense of humor. I could always count on an interesting comment on some current event in the news and I loved his stories about Georgia. He often spoke with love of his mother and grandmother. We all truly loved him and he is deeply missed. Our prayers are with all of his loved ones.*
