“ I was truly shocked to find out about Reid's passing. I have been a family friend for close to 40 years. Reid was an easy going man who truly cared about his family .When Ann Reid was small she always thought I was a member of the Drury family because everytime she came to visit her Grandmother (Mrs. Drury ,who was like a second mother to me growing up) she would ask where is H.B. ? Betty and Ann Reid have my deepest sympathy and heartfelt prayers during this time of such a great loss. May God embrace your family and friends with Love and care during this time . Y'all are in my prayers. God Bless you all

“ Over the last several years I had the pleasure of getting to know Reid as a gentle and caring man. His voice was always calm and I always looked forward to visiting with him whenever he would call. It was very plain he deeply loved his wife Betty and the concern he expressed about her well-being was ever present. The community has lost a fine and desent citizen and I have lost an inspiring friend. He will be missed.
