“ *I can still see Renee in her desk in my class in 8th grade! She rode with me one night to a class supper, and I still remember her smile and laugh. My heart is aching for all of this family as we were once neighbors on Dawson Road and Mrs. Rich (Renee's grandmother) was our only childhood babysitter! Thoughts and prayers to this special family. I am sorry I will be in Ohio this week and cannot attend the service.*
