“ *I was a head coach for girls softball when Richard became the rec director. He truly cared about the girls program and was without a doubt the best director we had and the program was never the same after he left to go to work at the base. Our hearts go out to the entire Bailey family and you will all remain in our thoughts and prayers.*

“ Richard and I were the catchers on the baseball team my freshman his senior year at Westover. I haven't seen or spoken to him in years, but I had to pay my resepects. I pray for you and yours in this troubling time and hope you will find comfort knowing he is with our creator.
